NUMBER 48

TEN COTTAGES WILL BE UNDER CONSTRUCTION

Work Order Expected at
W. T. Within the Com-
ing Two Weeks When
Money Received

\$40,000 IS CONTRACT

Swimming Pool Contract
Is Approved — Other
Construction Now Con-
sidered in Washington

Work is expected to start on the ten cottages on W. T. campus within the coming two weeks, states President J. A. Hill. Permit has been given by PWA to issue the work order to the contractor, J. B. Maxey, but usually no work is started until the money is forwarded from Washington. This usually takes about two weeks. The contract price was \$40,000.

Plans have been drawn to extend the streets under WPA to the cottages extending northeast from Cousins Hall.

C. S. Lambie, contractor for the addition to Cousins Hall, will complete this construction next month. Plans are being made to buy the furniture for the new rooms, and this addition should be ready by the opening of Summer School.

A new contract has been drawn with Mr. Lambie for the construction of the swimming pool to come within the amount approved by PWA. The amount of money available is \$37,900. The original size of the pool had to be decreased in order that the contract price would come within the sum approved by PWA.

Dr. Hill states that the other projects which are in Washington are still hanging fire. Included is the library building which is considered to be of the greatest importance to the future of the College of any of those requested. Unless the new economy order of President Roosevelt reduces PWA funds, it is believed that the library building will be approved in a short time.

R. A. Bellah Is Injured in Car Wreck Tuesday

R. A. Bellah of this city was injured Tuesday morning at Clinton, Okla., when his car was side swiped by a large oil truck on the highway. Mr. Bellah was on his way to Canyon.

His car was overturned three times, coming to rest across his breast. Fortunately a truck load of CCC workers were at the scene and removed him from the wreckage.

His son, Alfred Bellah, was called and brought him to Canyon. Mr. Bellah is badly bruised, but no bones were broken by the accident. His car was badly wrecked.

Judges and Com- missioners Pro- test Road Change

County Commissioner G. B. Heath returned from Dallas Friday where he attended a meeting of the state association of the County Judges and Commissioners' Association.

The meeting was called by C. L. Garrett, county judge of Eastland County, president of the state association.

The meeting was called to discuss and pass resolutions regarding the withdrawal of the \$125,000,000 allocated to Texas by the Federal government for highway work for the year of 1936.

A resolution was passed asking the President to continue direct relief after April 1st. A number of other resolutions were passed and sent to Washington, all were in regard to relief.

The meeting was attended by about 200 Judges and Commissioners from every section of the state. The president, vice president, and secretary of the association were instructed to go to Washington to try to get these resolutions passed.

STORK SPECIAL

A daughter was born to Dr. and Mrs. R. A. Neblett Monday morning at St. Anthony's Hospital. She has been named Dorothy Elizabeth Neblett.

Wilbur C. Hawk Died Wednesday

WILBUR C. HAWK

Wilbur C. Hawk, general manager of the Amarillo News-Globe, died yesterday morning at his home in Amarillo.

Mr. Hawk had been ill for several weeks but was thought to be well on the way to recovery. He was at his office Tuesday and planned to return again yesterday.

In addition to his duties with his newspapers, Mr. Hawk was devoted to the service of his city and the entire Panhandle. He has served in many capacities for the development of the entire Panhandle. No man in this section was blessed with so great a capacity of clear and quick thinking, of being a capable judge of men and measures, and with so abundant driving powers to work for the things in which he believed.

His hand set to the task, Wilbur Hawk never looked back.

The Panhandle has sustained a loss which will never be recovered.

Drivers' License Law Will Become Effective Friday

All Operators Must Secure Permits — 1936 Car Plates Are Ready For Distribution

The new drivers' license law becomes effective in Texas Friday. This will necessitate the securing of a license by all persons over 14 years of age who wish to operate an automobile.

Necessary blanks have been sent from Austin to practically all counties of the state in order to be ready for issuing the permits Friday. Many counties will not receive their blanks by that time, however, according to word from Austin.

Application blanks must first be made out by those seeking the license. The facts in the blanks must be sworn to before a notary public, or a highway officer.

There is no cost to the applicant in filing the application or for the license, although the state will be to the expenses of several thousand dollars in setting up this new system.

Under the terms of the law, drivers must have their license with them at all times, and show them to officers when called upon to do so. The permits may be revoked for breaking the law.

It is expected that 5,000 applications will be made for drivers' licenses in Randall county before the first of April.

The new 1936 car plates are now on sale at the office of R. N. Barnett, tax collector. The plates may be put on automobiles after the first of March, and all cars must be equipped with the new plates by the first of April.

Several hundred Centennial stickers (Continued on last page)

Governor Allred Names Parole Com- mittee for Randall

Governor James V. Allred has named a Parole Board for Randall county under the terms of a new law which sets up such a board in each county. John Knight is chairman, serving with R. E. Foster, M. H. Rockwell, G. W. Cox, and G. G. Foster.

When a man under the Governor's parole comes into Randall county he is required to report to the local board, which will be kept informed of his actions, and should he violate his parole, report this fact to the Governor.

Sub-Zero Weather Hits For First Time This Winter

Three Below Is Charted Here; Dust Storm Hits Panhandle Section on Saturday

The coldest wave of the year hit the Panhandle Saturday, sending the mercury down to 3 degrees below zero Saturday morning.

A sharp north wind accompanied by considerable dust blew throughout the day, making it the most disagreeable day of the winter, as well as the coldest day of the winter.

While moderating during the day, the 24-hour period was the coldest of the winter. Sunday morning the temperature was 18 degrees above zero, and Monday morning it stood at 13 degrees above.

The remainder of the week has seen cool weather, not nearly so cold as the week end.

The repeating cold waves of the past few weeks is unusual for the Panhandle. Every week has witnessed a drastic drop in the temperature, each drop getting a little lower. While old time residents of the Panhandle state that this is not the first time that near zero weather has continued over such a long period, yet it seldom occurs. It is usual in winter that after each drop there follows several days of warm weather before another norther hits.

While there is more moisture in the ground at this time of the year than the Panhandle has had for several years with the opening of February, the dust Saturday reveals the fact that unless rain follows the cold there is liable to be more dust this spring than was seen last spring. The cold weather has cut off the top of the growing wheat, leaving the ground almost barren of vegetation. The continued freezes has pulverized the top of the ground so that it will blow more easily than last spring.

Citizens of the Panhandle are hoping that a big rain will follow the cold in order to shut off the possibilities of dust storms this spring.

MARRIAGE LICENSE

David Horn and Miss Myrtle Cates, Feb. 7.
Elmo Murray Wheeler and Miss Gladys Fowler, Feb. 11.

Miss Eva Lou McKinney of Borger and Miss Erin Gamble of Sanford, visited friends in Canyon over the week end.

Bill Shackelford is employed in the City Pharmacy.

Walter Irvin Has Opened Ford Busi- ness In Canyon

Walter Irvin, Inc., opened business in Canyon Tuesday as distributors of the Ford, Lincoln and Zephyr automobiles, succeeding Edd Little, who has been the Ford agent here for 18 months. Mr. Little is returning to Panhandle where he formerly conducted the Ford agency.

Walter Irvin is a pioneer automobile distributor in the Panhandle. He has represented the Ford company in Amarillo for 29 years, and is the largest distributor in this section of the state. He conducts two sales rooms in Amarillo, and in opening the Canyon agency will name it the No. 3 branch of the business.

Mr. Irvin was here Monday closing arrangements for his coming. "We will have a full and complete stock of parts in Canyon, a representative line of cars, and experienced mechanics to give the people of this country first class service," stated Mr. Irvin.

A. C. Donnell will continue with the local agency as sales manager. C. L. Dunivan will be in charge of the parts. Tools, equipment, parts and cars are being brought to Canyon as rapidly as the new force can prepare to receive the stock. The same efficient service which has always been given by Mr. Irvin in Amarillo will be offered to the people of this section at his new branch in Canyon.

Educators Coming For Conference at W. T. on March 6-7

Third Annual Gathering Is Expected to Bring 2,500 Teachers to the Campus

Willard W. Beatty and Frank W. Hart, nationally prominent educators will speak on the program of the third annual convention of the Northwest Texas Conference for Education which will be held here March 6 and 7.

Mr. Beatty, who is Superintendent of Schools at Bronxville, N. Y. and president of the Progressive Education Association, will discuss the question "Will Teachers Give up Their Right to Teach Without a Fight?" The question, "Is Teaching a Profession?" will be the subject of the talk made by Mr. Hart, who is professor of Education in the University of California.

Programs are being mailed to teachers over Northwest Texas, and (Continued on last page)

WIND EROSION ELECTION WILL BE HELD SATURDAY, FEB. 29th.

A vital question will be presented to the voters of Randall county on Saturday, February 29.

Will the citizens of the county enter into the wind erosion program, or will the county stay out of the program and allow the soil to deteriorate through the ravages of the dust storms?

Very little interest has been manifest in this election.

Few people are even talking about voting in the election.

Every citizen is interested in saving the soil of the county.

Each farmer is interested in saving his own land from the dust of careless neighbors who make no effort to control the blowing.

More than 200 property owners signed petitions asking the Commissioners Court to call the election to create the soil conservation district.

Each property owner in the county should plan now to go to the polls and cast a vote.

While no opposition has developed against this work, those interested should see their neighbors and urge them to assist in helping the situation in Randall county by going to the polls and voting.

The date is February 29th. Elections will be held at all regular voting places in the county.

Make your plans now to vote.

Annual Test Dairy Cows To Be Made During Next Month

Cows in City May Be Included at Special Fee — Canyon Has a Fine Milk Record

The Randall County Dairymen's Association is planning for the annual TB test of all cows belonging to members of the association. Citizens of Canyon who own cows will be given an opportunity to have their cows tested with the members of the association at a very great saving over the regular prices which are charged for this test.

However, those living in town must make application at the office of County Agent W. H. Upchurch in order to avail themselves of this low rate.

The test will be made the latter part of March.

Randall was the first county in this section to be counted free of TB as a result of these annual tests. There is now less than two-tenths of one percent TB among the herds of the county, according to the latest tests. But in order to continue with this record it is necessary that the tests be made again this year.

The National Public Health Service issues a bulletin on milk sanitation, and in the latest issue Canyon and Amarillo were among the few towns of Texas which were given a grade above 90% for (Continued on last page)

Old Age Pension Blanks Ready to Be Filled Friday

J. S. Fischer of Amarillo has announced that application blanks for the Texas old age pension will be ready for distribution tomorrow, the day the new law becomes effective. However, under the terms of the law no pensions will be paid to those who qualify before the first of July this year.

Mr. Fischer states that he will distribute the blanks to all the County Judges of this district, where they may be secured by those wishing to make application.

After the applications are completed, they must be mailed to the office of Mr. Fischer in Amarillo, according to his statement. He will receive no applications directly from the various individuals. After the applications are filed the records will be passed upon by the district office, and then the state office in order to determine whether or not the state will pay the pension. The state has from now until July 1st to pass upon the applications in determining those who are qualified for the pension.

Buffaloes Annex Two More Games at Burton Gym

Texas Wesleyan Rams Fall Victim to Powerful Buffs—Simmons to Play Here Next

Two more games were chalked up in favor of the Buffalo basketball squad Monday and Tuesday nights, when the Rams of Texas Wesleyan fell victims to the fast moving Plainsmen.

The game Monday night ended 43-22 in favor of the Buffs. At the half the tally was 17 to 11, favoring the Buffs.

The game started slow, both sides attacking cautiously. While the Buffs maintained the lead of (Continued on last page)

WPA Officials On Inspection Tour Praise WT Work

WPA officials from the state office at San Antonio and from the district office at Amarillo were here Saturday inspecting the work on W. T. campus. High praises were given for the type of construction that was underway, and the efficiency with which the jobs are being handled. These projects were called the best and most useful of any in this section.

Work on Buffalo Courts is progressing rapidly.

The stone wall on the east side of the athletic field is complete, and the men are working on the south and west fences. The new entrance to the stadium is progressing rapidly.

Caliche will be hauled to the street in front of Buffalo Courts during the coming few days. The topping of this street, and the new entrance in front of the administration building will be run after the weather moderates.

WPA officials state that other projects on the campus will be considered as soon as the present ones are completed, since they believe in the future usefulness of these projects.

MUSEUM WORK TO START IN NEAR FUTURE

\$25,000 Available Now For Addition and For Furniture for Pioneer Hall

\$18,000 ADDITION

Directors Meet Monday to Start Work Arranging For Museum Improvements

Enlargement of the Panhandle-Plains Museum building will be started as soon as plans can be completed for the building. Directors of the Society met here Monday and discussed the future development.

Present were: W. H. Patrick of Clarendon; R. P. Smyth of Plainview; J. D. Hamlin of Farwell; Olin E. Hinkle of Pampa; Horace M. Russell and F. V. Studer of Amarillo, and J. A. Hill and L. F. Sheffy of Canyon.

\$25,000 has been allocated to the museum by the Texas Centennial committee. About \$18,000 of this amount will go to the enlargement of the present building and the remainder will be spent upon equipment.

The State Board of Control and the State Board of Teachers College Regents will supervise the expenditure. J. E. Hill of Amarillo is the regional representative of the Regents in connection with building problems.

Many new cases will also be added to Pioneer Hall. A committee composed of H. M. Russell, Floyd V. Studer, Olin E. Hinkle, J. A. Hill and L. F. Sheffy will decide upon the types of cases. They will visit museums at Santa Fe and Denver to study cases and their arrangement.

It was disclosed at the meeting of the Board of Directors today that the major oil companies have marked the Panhandle-Plains Historical Society museum on their maps and that the AAA has listed the museum on its travel information.

At the meeting plans were made for the annual meeting of the Historical Society which takes place April 10. J. Frank Doble of the University of Texas will be the banquet speaker.

President W. H. Patrick stated that another meeting of the Board of Directors will probably be held within the next month to take up details of the building program.

Bonus Applications Are Being Rapidly Filled by Veterans

A large number of ex-service men have filled out their applications for the baby bonus bonds, according to Guy Harp and Andy Walsh, Post Commander and Adjutant of the Palo Duro Post.

Free service is rendered to all ex-service men of the county by the officers of the Palo Duro Post.

Many individual problems have been revealed to the local legionnaires as these applications are being made by the individual ex-service men. Various phases of compensation which have not been discussed before with ex-service men of the county have been unraveled since it is possible for the payment of the bonus.

No closing date has been set for applications to be in, but a definite time will probably be announced later.

Stafford Hall To Be Opened Friday To All Visitors

Stafford Hall will be opened to the public for inspection Friday afternoon from 3:00 o'clock until 10:00 o'clock at night. Dr. and Mrs. A. M. Meyer invite the people of Canyon to inspect the Hall during these hours.

No program will be given, but all citizens are cordially invited to make this inspection of the Hall during these hours.

Joe Jennings of Plainview was here Monday visiting with friends. He was formerly county agent in Randall county.

Miss Gladys Stewart of Bovina spent the week-end with home folks.

SUBSCRIPTION \$1.50 PER YEAR

Entered at the postoffice at Canyon, Texas, as second class matter. Published weekly at office, 1513 Fourth Avenue, Canyon, Texas.

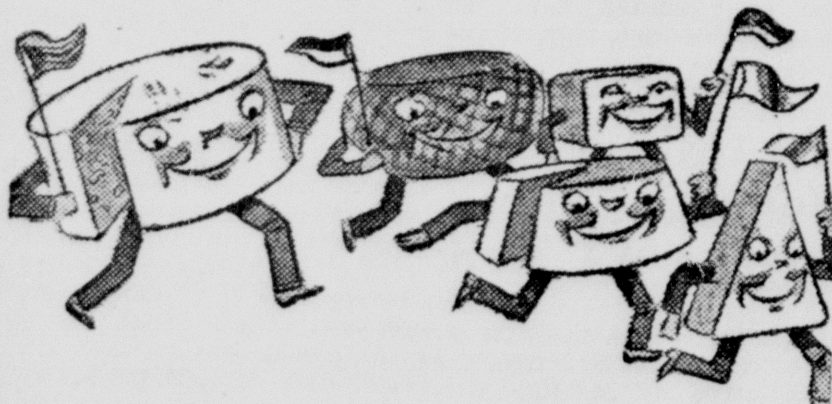

Will Durant's lecture at the College Friday night was a high light of sanity when it came to analyzing the troubles of the world today, and recommending a cure. Those who went expecting to see men and measures torn into shreds were disappointed. Few references were made to individuals, but plenty was said by the speaker regarding conditions, past, present, and future. The philosopher accepts facts and in the light of history attempts to look into the future. While painting a gloomy picture for the future of America, Mr. Durant sees a ray of light if this nation will produce a better equipped race, trained along practical lines, and will observe the old code of common honesty that religion has always taught. Only by this method is there hope for solution of the economic distress which so frequently visits the human race.

It seems that the magic name of Terrell will be on the primary ballot in at least two places this year. George B. Terrell will run for commissioner of agriculture, a job he held before going to the legislature and then to congress as an anti-New Dealer. Sam Houston Terrell will try to get back his old job as comptroller. He resigned while the legislature was attempting to impeach him from this office six years ago. Other Terrells will probably be on the ticket. It is said that the name is worth 100,000 votes in Texas in any election. The name Terrell is no qualification for public office, as each Terrell should be required to stand up under the caustic scrutiny which each voter is supposed to give the candidate for public office.

The old age pension will be the vehicle upon which a large number of candidates hope to ride into office. The "ins" will be charged with having failed in their duty to make the pension as high as it should be; the "outs" will make all sorts of promises, some actually believing that their promises will be possible, but most of them realizing how impossible the promises are. Governor Allred has two or three opponents so far on the theory that he should have called another session of the legislature to pass revenue measures, in spite of the fact that no money will be needed for pensions until August or September. The campaign in Texas seems to be developing as much bitterness as the national campaign will be.

Changing the constitution is not going to be the political question which it threatened to be several

PHONE 117

World's Longest Bridge Speeds to Completion

Rapidly, section by section, skilled engineers are assembling the mammoth San Francisco-Oakland Bay bridge, longest in the world. This photo, taken from the air, shows the newest phase of construction on the 4½-mile long span—trusses which form the deck of the bridge—in place below the cables. These deck sections are hoisted by pulleys from barges anchored in the bay and hung by 2¼-inch steel ropes suspended from the main cables of the bridge. The center concrete anchorage is shown above at the right and the San Francisco skyline at the left.

weeks back. The people do not become hot and bothered in a political campaign over the constitution. It takes questions in which all citizens are vitally interested to produce political thunder of any importance. However, there will be much talk during the campaign of proposed changes, and bills will be introduced in Congress to change the constitution in order to restrain the powers of the Supreme Court. Most of these bills will promptly be shunted to one side by the more important economic questions.

Secretary Wallace was very frank when he made the statement that the refunding of \$200,000,000 processing taxes was the greatest legalized steal in history. Not many politicians have been so frank. His statement is being severely criticized by anti-New Dealers. There is no sense in beating around the bush. Those who collected the processing taxes will pocket most of this money, since there is no way to return these taxes to the individuals scattered over the nation who paid these taxes. This unhappy situation was forecast by many citizens long before Mr. Wallace put it so bluntly.

All sorts of surveys are being made as to what veterans will do with the bonus money when it is paid in June or July. Possibly none are accurate. But here is one of the latest estimates: 34% will remain in baby bonds or other government securities; 26% will go into homes and equipment; 23½% to pay old debts; 11½% for personal expenditures; 5% for new cars.

Funny how quickly a man may destroy his usefulness to his political party. Al Smith was formerly the ideal of millions of political followers. Today his name is a political joke because of his desire to rule or ruin. After all, most people like to play the game of life fairly. They have little time for the fellow who disobeys those rules.

Building and repairing will put

men to work quicker than most any line of activity. The depression virtually stopped all building activities. 1936 would be a fine time for the people of America to make a united drive for home and business improvements. Build something, or paint something or repair something around your home or business, and see how quickly the improvement fever starts.

WASHINGTON SIDELIGHTS

BY MARVIN JONES
Chairman, House Committee on Agriculture.

Our tariff system makes a farm program necessary in the interest of the entire nation. Complete and permanent recovery can be had on no other basis.

No one wishes this country to sink back to the depths it had reached in 1932.

The decision of the Court in the A. A. case is a far-reaching one.

However, I cannot believe that a national tariff is legal and that a national farm program which merely restores the price balance cannot be made legal.

I cannot believe that the cotton farmers and the producers of other world market crops must purchase their supplies in a higher-priced protective market and that there is no constitutional means by which they may be given an even break.

The great fundamental in our system of government is equality in the operation of its laws.

I am sure a constitutional method of putting all our citizens on an equal footing can be found. Certainly in the interest of simple justice the effort should be made. To this task the House Committee on Agriculture is devoting its earnest attention.

Personally I favor a domestic allotment plan linked with a soil conservation and rebuilding program and also including the seeking of new and additional outlets and markets, domestic and foreign.

While proper adjustment is desirable, we should of course produce all the market will absorb, both at home and abroad.

The legislation should be broad and flexible so as to permit different plans for different commodities, thus fitting to each commodity the plan best suited to its peculiar production and marketing conditions.

Such a program will be to the advantage of both producer and consumer.

The Congress added the domestic allotment plan, the soil conservation and market expansion features to last year's legislation. However, as other plans were already in operation, these had not yet been brought into full effect. Since the domestic allotment, soil conservation and market expansion plans were not involved in the decision of the Supreme Court, these were probably not affected; but as they were linked with some of the provisions that were held invalid, it would probably be wise to carry them forward in a new act.

The domestic allotment plan is peculiarly suited to cotton and wheat, but other methods will probably be better suited to some of the other crops. No single plan would be suited to all of the different commodities.

These are merely my own views.

Some boys forget that dad can't pay the expenses in the school of experience.

Art School Will Be Conducted In Palo Duro Canyon

Five well-known artists will constitute the visiting faculty of the Palo Duro School of Art to be conducted in Palo Duro Canyon the first six weeks of the summer session. They are: Frank Klepper and Adele Brunet of Dallas, A. W. Mack of San Antonio, Harold Bugbee of Clarendon, and Amy Jackson of Amarillo. Each artist will teach two weeks or more.

Two Courses Offered

Two courses, Drawing for Beginners, and Advanced Drawing, will be offered. All work will be under the direction of Miss Isabel Robinson and will have its studio in the stone lodge on the rim of the canyon. There will be an opportunity to draw and paint life both in and outside the studio.

Five Day Excursion

An optional phase of the course will be a five-day excursion to Taos and Santa Fe, which will include inspection of the art galleries, Indian pueblos, and pre-historic cliff dwellings. Students will sketch as well, and Mrs. T. V. Reeves, Head of the Bureau of Public Service, will give nature study lectures.

Students not asking for college credit may enroll for three weeks instead of six. The tuition fee will be \$12 for three weeks or \$20 for six weeks.

Those wishing to take one course on the W. T. campus and one in the School of Art will pay only \$10 in addition to the usual \$12.50 fee.

May Earn Six Hours

It will be possible to earn six hours, and graduate credit will be given those eligible.

Many of the students will live in Palo Duro in the stone cabins which can be rented for a reasonable price. Others will drive from Canyon and Amarillo.

Pleasantview News

Weather still clear and cold, but no moisture.

Mr. Middleton visited at the E. Gidden home Sunday night.

Bill Heizer visited A. E. Terry of Canyon Sunday.

Joe Hill, Jr., on Lecture Tour To Last Until June 1

Joe Hill, Jr., son of Dr. and Mrs. J. A. Hill, is on an extended lecture tour throughout Texas. His lectures are based on his trip to the Antarctic with the Second Byrd Expedition.

Mr. Hill lectured last week in central West Texas.

He spent the week-end with Admiral Richard E. Byrd in San Antonio.

Admiral Byrd, himself, will give a lecture in Amarillo Feb. 20. His lecture will be illustrated by several reels of films of the Antarctic region.

Mr. Hill will probably continue to lecture until approximately June 1.

Johnson Items

Mr. and Mrs. W. H. Goetsch and Ernest Goetsch and children of Dawn were guests in the Paul Goetsch home Sunday.

Mr. and Mrs. E. B. Harvey of Brownfield spent Tuesday night in the J. J. Bauer home.

Wednesday morning Mr. and Mrs. E. B. Harvey motored to Amarillo to visit Mrs. C. W. Bauer.

Mr. and Mrs. Elmer Bauer visited Mrs. Bauer's sister, Mrs. J. H. Ebeling, Wednesday, who recently underwent an operation at Tulsa.

J. J. Bauer and Mrs. L. F. Spiser were callers of Mrs. C. W. Bauer in St. Anthony's hospital Wednesday morning.

Mrs. E. J. Bauer attended Legion Auxiliary meeting Friday afternoon.

Mr. and Mrs. E. J. Bauer and

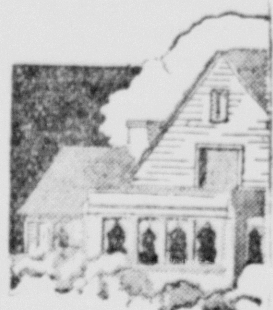

family attended the Boy Scouts program Friday night. C. W. Bauer and children, Hilda Miller, and Ardelle Spiser were visitors of Mrs. Bauer in Amarillo Saturday.

Beware The Cough From a common cold That Hangs On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies; such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Wild Cherry and Menthol, but also has fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results.

Thousands of doctors use Creomulsion in their own families as well as in their practice knowing how Creomulsion aids nature to soothe the inflamed membranes and heal the irritated tissues as the germ-laden phlegm is loosened and expelled. Druggists also know the effectiveness of Beechwood Creosote and they rank Creomulsion top for coughs because you get a real dose of Creosote in Creomulsion, emulsified so that it is palatable, digestible and potent for going to the very seat of the trouble.

Creomulsion is guaranteed satisfactory in the treatment of coughs, chest colds and bronchial irritations and especially those stubborn ones that start with a common cold and hang on for dreadful days and nights thereafter. Even if other remedies have failed, your druggist is authorized to guarantee Creomulsion and to refund every cent of your money if you are not satisfied with results from the very first bottle. Don't worry through another sleepless night—phone or go get a bottle of Creomulsion right now. (Adv.)

WOMAN'S BOOK CLUB PRESENTED PLAY WED.

"The Case of Mrs. Kantsay Know" delighted the members of the Woman's Book Club and more than one hundred guests yesterday afternoon. This was a one-act play, directed by Mrs. A. M. Meyer. It was given at the High School auditorium.

The play depicted a half day in the life of a mother who was also a club woman, unable to refuse to do any of the many things for which she was called upon. The action was swift, the play ending with Mrs. Kantsay Know resolving to spend more time in her home, at the same time agreeing to a telephoned request to do one more thing.

The cast and characters were Mrs. Kantsay Know, Mrs. Ray Campbell, Mrs. Dowditt Nowe, Mrs. Clyde McElroy, Mrs. Maket Wright, Mrs. Tom Knighton, Ben Know, T. M. Moore, Jr., Ruthie Know, Ben Carolyn Dunaway, Mrs. Leeshur Lee, Mrs. Wm. Ash, Mrs. Tender Lee, Mrs. T. M. Moore, Elaine Know, Mrs. Charles Dickey, Billy Know, Tom Knighton, Jr., Bea Chumme, Mrs. Floyd Dunaway.

Much of the success of the play was due to the co-operation of Supt. Irby Carruth, and the Thompson Hardware Company which furnished the properties for the stage.

Mrs. C. A. Murray, Mrs. J. W. Kleinschmidt, Mrs. M. S. Bishir, Mrs. W. T. Green, and Mrs. Sternberg composed the committee which arranged for the day's program.

Following the play a social hour was enjoyed. The attractive refreshments were prepared by the high school home economics department under the direction of Miss Fannie Sue Brasuel. Girls of the class served.

Members and guests expressed the hope that a play will become a regular feature of the Book Club's work each year.

ZITA H. D. CLUB WITH MRS. GRUNER

"When choosing food in a cafeteria, you select food that is pleasing to the eye," said Miss Allie Dozier, Home Demonstration Agent of Randall County, to the members of the Zita Club at the home of Mrs. Emma Gruner, Tuesday, February 10.

So meals planned for the home should be considered from a standpoint of appearance and color as well as nutritive value.

Those attending the meeting were: Mrs. D. C. McCormick, Mrs. H. Both, Mrs. E. A. Michael, Mrs. Bill Wright, Mrs. Eula Watson, Mrs. J. P. Upchurch, Mrs. M. H. Rockwell, Mrs. H. R. Fulton, Mrs. Balle McCormick, Mrs. Emma Gruner and Miss Colleen Monahan.

VALENTINE MOTIF AT BLUEBONNET PARTY

The Bluebonnet Needle Club met Friday with Mrs. Jay Prichard acting as hostess for the afternoon.

The red and white color scheme suggestive of St. Valentine was carried out in the refreshment plate by the use of paper napkins and red heart mints with salad, potato chips, sandwiches and coffee.

Those enjoying the affair were Mrs. James Cole, guest, and Mrs. J. D. Barker, Mrs. Fred Mye, Mrs. George Small, Mrs. W. H. Upchurch, Mrs. Winfield Miller, Mrs. Aubrey Fox, Mrs. Levi Cole, Mrs. Norval Dickerson, and Mrs. J. L. Heffner.

MRS. FRANK R. PHILLIPS PRESIDES WEDNESDAY

At the regular meeting of the City Federation which met yesterday afternoon, Mrs. Frank R. Phillips, president, presided. Regular business was transacted with reports given from all committees.

OLD TIMERS ENJOY GET-TOGETHER FRIDAY

Members of the Pioneer Club met Friday afternoon at the home of Mr. and Mrs. J. W. Ballard in the annual meeting of the old timers of Randall County.

President Mrs. Oscar Hunt and vice-president Mrs. John Knight were installed into office by proper ceremony with Miss Columbia Redfearn acting as Esquire, assisted by Mrs. A. E. Brown. The newly installed president, Mrs. Hunt, took charge of the program and gave a very interesting talk concerning the host and hostess.

Mrs. John Knight gave a reading "On the Trials of a Preacher and Wife," with Mrs. J. W. McCrery following with "How to Digest a Newspaper." This was followed by Miss Irene Anzel giving a description of the old Darkey's sermon on "Finding Moses in the Bulrushes." An old fashioned spelling match and singing school was enjoyed by a large number taking part.

A delicious dessert course of lemon pie with coffee was served to the large group of old friends and neighbors who were present including several guests from Amarillo.

FAMILY RECREATION STUDIED BY CLUB

"Recreation for the Family," was the topic for discussion at the meeting of the West Side Home Demonstration Club with Mrs. J. L. Buchanan on Friday, Feb. 7.

Mrs. Ed Bourn gave a report of the last social meeting held at the high school for the families of the club, and Mrs. J. J. Wright gave a report of county council. The contributions to the Educational Fund were turned into the club secretary, Mrs. W. C. Roberts.

At the close of the business meeting, games were introduced which proved to be very interesting to those taking part.

Valentine suggestions were carried out in the refreshments of sandwiches, cookies and hot cocoa which were served to Mrs. W. L. Neal, Miss Katie Tuck, Miss Athalia Wilder, visitors; Mesdames L. H. Holman, Wm. Ash, T. A. Dowlen, W. C. Roberts, C. L. Gordon-Cummings, J. J. Wright, J. M. Carruth, Joe Tuck, Ed Bourn, Tony Burrus, Clark Ash, B. A. Burrus, and Miss Kitty Burrus, members.

CHILI SUPPER GIVEN PRESBYTERIAN CHURCH

A surprise chili supper was given the choir of the Presbyterian Church, Wednesday night in honor of Mrs. Lee Foster's return to the organ. Mrs. J. D. Barker, Miss Pauline Brigham, and Mrs. Dickey acted as hostesses for the occasion to twenty-one members and friends.

The choir is rehearsing on a Cantata which will be presented to the public on Sunday night, February 23.

Do Your Shopping in Canyon.

PARK HOME DEMONSTRATION CLUB MEETING THURSDAY

At a demonstration on menu planning for the Park Home Demonstration Club Thursday, Miss Allie Dozier gave some pointers on correct feeding. She said, "You will know you are feeding your family correctly if adults maintain normal weight and children gain normally, and if all members of the family are mentally and physically active and have no digestive disturbances." Mrs. A. C. Roddy acted as hostess to the group. The many uses and desirability of sponge cake for children's dessert were stressed by the demonstrator.

Guests present at the meeting were Miss Elizabeth Burch, Mrs. Clarence Winters and Miss Rena Bell Roddy. Members were Mrs. C. T. Moore, Mrs. Chas. Thurman, Mrs. Leroy Lowry, Mrs. D. D. Vaughn, Mrs. Flynn Winters, Mrs. Herriek Simon, Mrs. Ivan Pitt, Mrs. James Eddie Park, Mrs. Elmer Winters, Mrs. W. E. Bennett, Mrs. Frank Simon, Mrs. J. C. Roddy, Mrs. O. Holman, Mrs. C. C. Benton, Mrs. A. H. Simon, Mrs. Leonard Winters, Mrs. Frank Winters, and Mrs. Jas. E. Park.

MRS. OWEN WILLIAMS HAS LAS SENORAS NUEVAS

The Valentine motif with very attractive table decorations and accessories was successfully carried out by Mrs. Owen Williams yesterday when she entertained the Las Senoras Nuevas Club at her home.

The refreshment plate carried a salad course with heart mints and heart shaped cookies with faces, and coffee.

Those enjoying the afternoon were Mrs. A. K. Goodman, Mrs. Tom Brasher, Mrs. Winfield Miller, Mrs. Aubrey Fox, Mrs. Hud Prichard, Mrs. Andy Walsh, Mrs. R. E. Ball, Mrs. R. O. Johns, Mrs. Robert W. Foster, Mrs. Claude Moore, Mrs. Warren Johnson, Mrs. Levi Cole, Mrs. J. Madison Daugherty, Mrs. Roscoe Davis, Mrs. Joe Black, and Mrs. George Nance.

MEN TO ENTERTAIN THE LADIES AT DINNER

The ladies of the Presbyterian congregation and the children are to be guests of the men at the second annual banquet to be held on the night of Feb. 20.

And such a banquet! Food—such as women have never tasted—will be served on the tables. A good program, punctuated by peculiar noises from the kitchen (such as dropping to the floor a whole tub of dishes) will be enjoyed by everyone, maybe?

Ladies, you have often wondered how your cave-man would look in an apron, this is your opportunity!

MISSIONARY CIRCLE TO MEET TUESDAY

The Young Women's Missionary Circle of the Methodist Church will meet for its monthly social at the home of Mrs. Levi Cole, 1102 Seventh Avenue, Tuesday, Feb. 18, at 3:00 o'clock.

But Both Went to Dog Pound!

"Take me if you think you can," is probably what the little pup defiantly thought as he hunched in the protection of this St. Bernard after city authorities in Seattle started a drive to round up all unlicensed dogs and send them to the city dog pound. But the little dog and the big one went to the pound just the same.

CENTREVIEW CLUB MEETS FRIDAY

"Nothing can take the place of milk in the diet," quotes Miss Allie Dozier at the meeting of the Centreview Club, Friday, Feb. 7, in the home of Mrs. Serena Bryan.

Miss Dozier discussed well-balanced menus and the importance of planning your menus for a day or week ahead. It saves time and worry. She also told us the place of cake in the diet.

Roll call was answered by giving a recipe for a one-dish meal. Mrs. J. W. Wesley was elected council representative.

Those present were Mesdames: G. E. Wesley, C. M. Rogers, L. H. Barnard, H. H. Sutton, H. H. Shipman, Harney Rogers, J. W. Wesley, E. M. Wilson, Miss Ozier and the hostess, Mrs. Serena Bryan.

LAKESIDE CLUB HAS TWO MEETINGS WEDNESDAY

Members of the Lakeside Home Demonstration Club met with Mrs. Cecil Berry Wednesday morning in a special called meeting of the club, at which time "A Model Club" was discussed. Roll call was answered by addressing the chair. New committees were reported and a report was given by the council delegate.

A tasty luncheon was served at noon to those present by the hostess.

In the afternoon Miss Allie Dozier met with the ladies for a study of menu planning and the place of cake in the diet. At the roll call a one-dish meal was given as response.

Members present at both the morning and afternoon meetings were Mrs. L. B. Hammond, Mrs. John Haines, Mrs. Harley Burrus, Mrs. H. R. Jones, Mrs. Hillery Hutchinson, and Mrs. Berry.

MRS. FRIEZE AND MRS. BRYANT ENTERTAIN

Friday evening at 7:30 o'clock, Mrs. Frances Bryant and Mrs. Lige Frieze entertained employees and their wives of the Texas Utilities Co. with a Valentine progressive "42" party at the home of Mrs. Bryant.

At the refreshment hour the tables were centered with red candles to further carry out the red and white color scheme. Individual cherry pies with mints and coffee were served.

Those enjoying the evening were Mr. and Mrs. J. B. Morrisett, Mr. and Mrs. Owen Miller, Mr. and Mrs. Ernie Miller, Mr. and Mrs. Bob Boling, Mr. and Mrs. Carl Brown, Mr. and Mrs. Roy Tate, Mrs. Frieze and Mrs. Bryant.

Bobby Campbell of Amarillo visited in Canyon last week.

MEAL PLANNING IS STUDIED BY CLUB

Contrasts in planning and serving meals were the points stressed by Miss Allie Dozier to Sunny Hill Club members in the lesson on menu planning held Feb. 4 at the home of Mrs. Joe Russell.

Mrs. Russell, member of the finance committee reported \$19.84 cleared at the entertainment of Cal Farley's Flying Dutchman circus held at the school house recently.

Refreshments of sandwiches, cake and cocoa were served to the following members: Mrs. A. E. Wise, Mrs. S. L. Robinson, Mrs. R. B. Gist, Mrs. H. P. Ratjen, Mrs. R. B. Elliott, Mrs. J. B. Knox, Mrs. Lola Carter, Mrs. Carroll Bray, Miss Lois Moreman, Miss Dozier and hostess, Mrs. Russell.

PATTERSON-LAUGHERY PRESIDE TUESDAY

The regular meeting of the Canyon Rebekah Lodge was held Tuesday evening at the lodge hall with Mrs. Teresa Patterson and Mrs. Minnie Laughery presiding.

Routine business was transacted and reports from the State Secretary were read. Many certificates of perfection on the unwritten work were presented by the lodge deputy, Mrs. Margaret Cole.

Those attending were Mrs. Patterson, Mrs. Laughery, Mrs. Myers, Mrs. Brown, Mrs. Louder, Mrs. Stratton, Mrs. Cole, Mrs. Weeks, Mrs. Hart, Mrs. Ridgeway, Mrs. McBride, Miss Redfearn and Miss Thompson.

MRS. HARRY WOOD HAS REVIEW MONDAY

The Junior Woman's Club met at the Court House Monday afternoon for its regular meeting with Mrs. Andy Walsh, presiding.

The club voted to donate money to the city park movement being sponsored by the City Federation. At the study hour Mrs. Harry Wood gave a very interesting review of "Mary Peters" by Mary Ellen Chase.

MISS IRENE PRESLEY MARRIES JANUARY 25

Mr. and Mrs. C. M. Presley announce the marriage of their daughter, Miss Irene Presley, to Mr. Oscar Ekelund of Amarillo on January 25.

Mr. and Mrs. Ekelund will make their home in Amarillo where he is employed with the Blackburn Bros. Clothiers, and Mrs. Ekelund will continue with her work at White and Kirk.

Hill Returns From Austin Educational Meeting Thursday

Dr. J. A. Hill returned Thursday from Austin where he attended a conference of college presidents and superintendents of high schools of Texas.

The subject of the conference was, "A Unified Educational Program for Texas."

Three or four hundred superintendents were in attendance at the conference, according to Dr. Hill.

Pres. Hill was accompanied by W. M. (Bill) Bralley, Superintendent of Spearman High School; George A. Heath, Superintendent of White Deer High School; and J. D. Wilson, Deputy State Superintendent of District One.

All of these men are ex-students of W. T.

Strawberries Are Ripe

It's strawberry time in Florida, and here is a new wrinkle in strawberry patches. Fred Clark of Miami has introduced the portable, boxed strawberry garden, which he claims is more economical and sanitary than the conventional variety. Two Miami bathing beauties are shown above sampling the luscious berries which will be shipped to all parts of the country. The portable boxes may be turned to get the full rays of the sun all day.

Will Durant Brings Message of Gloom Regarding Nation

But Philosopher Outlines Points To Strengthen Nation—Heard By a Large Crowd

Expressing the belief that Americans are degenerating and that the intellect of the American race is dying as a result of the declining birth rate among the upper classes in America, Will Durant, celebrated philosopher and author, addressed a large crowd of students, citizens of Canyon, and visitors from Amarillo, Friday evening in the auditorium of the Administration Building.

The lecturer presented four basic points in delivering his address, "The Crisis of American Civilization." They were: the appalling birth rate decrease, our economic problems in regard to foreign markets and unemployment, political graft and corruption, and the disgraceful moral code as reflected in movies, art, dance, and literature of today.

Premium on Brains
Most significant in the downfall of the American people is the fact that the lower classes instead of the intellectual classes are producing the next generations. The future generations will have inherited muscle instead of strong minds at a time when a premium is being placed on brains, was the opinion of the speaker.

Despite the fact that free schools are offered and more money is spent throughout the nation for educational purposes, he quoted teachers as saying that the intelligence level of today is lower than that of the last generation.

Machinery and Production
Durant cited incidents illustrative of the effect of machinery on production. "Not only has machinery taken the place of countless men, but the cost of the machinery makes it necessary to operate on a larger scale to pay for it."

According to the thinker, the crash of 1929 was merely delayed from the time of the World War. A crash seemed inevitable until the War broke out. Then, American markets arose to the possibility of supplying foreign markets with goods. When the war was

Crowned Southern Snow Queen

Happy is the head that wears the crown of Southern California winter sports queen. No exception is Charlotte Dahney Halloran, above, shown after she was crowned, preliminary to the annual snow carnival to be held Jan. 25 and 26 on snowy mountain slopes near Los Angeles. The queen is a California socialite.

over, Europe recaptured markets because of her lower wage scales and lower standards of living.

Two Ways to Get Markets
"There are two ways for the United States to recapture foreign trade," stated the speaker. "We can either lower our standards of living and undersell our competitors, or we can go to war and destroy competition."

"England," he declared, "is afraid of two powers—Japan and the United States. Japan has labor and the United States has equipment." He cited the fact that England has fought to maintain her supremacy many times in the past.

Attacks Morals
Durant attacked the morals of the country. He declared that religion has lost its grip on half the population. The home has lost its influence over children, he contended.

He reviewed the history of the rise and fall of Rome. The birth

rate of the intelligent classes decreased to practically zero and the resultant internal corruption conquered Rome.

Concerning the political situation, Durant declared, "America will never go Communist, but every Communist move will make the danger of Fascism in America greater."

The philosopher outlined points which he thinks it will be necessary to accept in order to halt the degeneration of the American population.

Sterilization For Unfit
His plan is that the birth rate of the intellectuals should be increased and the rate of the lower classes discouraged. It is his belief that all feeble-minded persons and those which are physically unfit to bear children should be sterilized.

All habitual criminals should be given their choice of suffering death or life imprisonment with sexual sterilization in the event of parole.

The speaker expressed the belief

Former Resident Died Suddenly at Home in Abernathy

A. E. (Bud) Pipkin died suddenly at the family home in Abernathy Tuesday morning. The funeral services were held yesterday afternoon.

The family lived in Canyon several years ago, and are well known here.

Mr. Pipkin is the son of Mr. and Mrs. J. C. Pipkin. Mrs. Clyde Johnston is a daughter of the deceased. The parents were unable to attend the funeral.

Surviving is the widow and nine children.

that the U. S. Government should pay the cost of each child for one year if both of the parents have passed an adequate physical examination.

Birth Rate Subsidies
The income tax allotment should be doubled for each child. At the birth of a new child, the father's salary should be automatically raised. This, he asserted, would raise the quality and quantity of children.

The lecturer declared himself in favor of early marriages. Instead of the government's giving dotes, it should give a dowry to each newly married couple.

"Politics should be made an honorable profession—not a racket," he concluded.

"Peddler of Ideas"
Dr. Durant has been called "a peddler of new ideas." His opinions have brought him more recognition from the press of the nation than that accorded any other American speaker dealing with intellectual matters.

Durant was secured for an appearance here through the efforts of the Lyceum Committee headed by Prof. Wallace R. Clark.

This was the first lyceum of the second semester.

Umbarger Items

The dance given last Wednesday in the Umbarger Parish Hall was well attended and enjoyed by all.

Among those visiting Sunday were: Mr. and Mrs. Max Hoffman and family with Mr. and Mrs. Albert Fischbacher; Joe Batenhorst with Rudolph Friemel; Mr. and Mrs. Ben Becker and Mr. and Mrs. R. Friemel with Mr. and Mrs. Henry Batenhorst; Louise Beckman with Ernest Frank; John and Clare Wieck with Marcella and Sylvester Batenhorst; Elfrida Batenhorst with Anne Hollenstein; Alice Irlbeck with Theresa Ann Beckman, Edna, Leo and Harvey Artho with Gertrude, Elmer and Alois Friemel; Regina Hollenstein with Bertha Bedenk.

Alice Davis spent the week with Mr. and Mrs. Roy Davis.

Mr. and Mrs. Paul Artho and Henry Skypala were callers in Amarillo Saturday.

The Valentine Party held in the church basement for the members of the Altar Society was greatly enjoyed. Those present were: Mrs. C. J. Beckman, Mrs. G. Vorwald, Mrs. G. Franks, Mrs. Ernie Hollenstein, Mrs. E. J. Evers, Mrs. Ted Irlbeck, Mrs. J. Batenhorst, Mrs. Albert Fischbacher, Mrs. M. Hollenstein, and Mrs. C. Ash.

There will be a Bingo party given at the church basement Sunday, Jan. 16, beginning at 8 p. m. sharp. Admission, 35c. Fifty games will be played, five prizes and also five special prizes will be given.

Mrs. Viola Cook of Amarillo visited in Umbarger Sunday.

Mr. Garagaza made a business trip to Hereford Saturday.

Zita Breezes
Mr. and Mrs. D. C. McCormick and Mr. and Mrs. C. C. Stewart were callers in the M. H. Rockwell home Thursday evening.

J. A. Moore and George Schneider were visiting in the Art Schneider home Sunday.

Mr. and Mrs. M. H. Rockwell and Mr. and Mrs. Paul Matthews and daughter, Mr. and Mrs. Harry Krabbe and son, Mrs. Maxine Monehan and daughter, ate birth day dinner with Mr. and Mrs. Baile McCormick Sunday.

R. L. Thompson was a visitor in the Moody home Monday evening.

B. J. Elliott visited Mrs. E. M. Elliott Sunday.

CHURCH OF CHRIST
Earl L. Craig, Minister

Bible study Sunday morning will begin at 10 o'clock.

Preaching Sunday morning at 11, and Sunday night at 7:30 o'clock.

Young People's class will begin Sunday night at 6:30 o'clock.

Ladies' Bible class will meet Wednesday afternoon at 3 o'clock.

Bible training class will meet Wednesday evening at 7 o'clock.

Prayer meeting service will begin Wednesday evening at 7 o'clock.

Communion service Sunday morning at 11:45 o'clock, and Sunday evening at 8:15 o'clock.

The public is cordially invited to attend these services.

Using a high-pressure carburetor, an Italian engineer uses fuel oil to run a gasoline engine. That is, when Mussolini isn't looking.

Highland News

Mr. and Mrs. John Cage of Amarillo and Mr. and Mrs. H. H. Elam of Wildorado were callers at the Fuqua home Sunday afternoon.

Harvey Fuqua spent Sunday visiting Nancy Ann Gentry at Wildorado.

Luther Mason, Mary Ann Bedenk and Mrs. Carl Fuqua suffered with colds this past week.

Mrs. Joe Bedenk is spending this week with her brothers.

Several school children of Bushland are confined at home with the mumps.

Dust and dirt have been blowing some the past week. No fields in the immediate neighborhood are blowing, but some fields west of Wildorado have been reported to be blowing.

Some of us would perhaps like to go to "Balmy" California during the blowing season, but are afraid we couldn't get across the California state line.

Mr. and Mrs. Carl Fuqua spent several days at the Elam home last week helping butcher and can meat.

The Highland Home Demonstration club met on Tuesday, Feb. 3, at the home of Mrs. Ben Nesselroad. An all day meeting was had with a covered dish luncheon at noon. The day was spent quilting.

Mrs. Clem Kellogg of Morse, a former member, was a guest that day. The next meeting will be Tuesday, Feb. 17, at the home of Mrs. Mitchell.

Word was received last week that Howard Rogers' father of Toledo, Iowa, passed away on Monday night.

Mr. and Mrs. Koehner, whom many in this neighborhood know, have been living with Mr. and Mrs. Rogers at Toledo since the first of the year helping take care of him.

Palo Duro Peeps

The Palo Duro Club was entertained by Mrs. E. H. Albers, Wednesday afternoon.

Miss Anna Meyer entertained the Young Peoples Society of the Lutheran church last Tuesday night.

The 4-H girls club met at the Palo Duro School Tuesday morning.

Mrs. Henry Miller entertained the Lutheran Ladies' Aid Thursday afternoon.

Mr. and Mrs. Clark McClelland and family visited in the O. D. Bragg home Sunday evening.

Mr. and Mrs. G. H. Leseberg and

Velvet Spots on Taffeta

Large velvet spots on a skirt of taffeta hit the spot with Dolores Del Rio, film player. The velvet spots matches the velvet spots, making a charming and attractive outfit for this glamorous star.

Mrs. Raymond Tucek visited their sister, Mrs. C. W. Bauer, who is in St. Anthony's hospital in Amarillo, Friday afternoon.

Mr. and Mrs. B. A. Burrus and sons were callers in the Art Albers home Sunday.

That University of Chicago student about to end a four-year course in one year must be one of that new species which might be termed the "Townsend-Plan-fast-agers."

Some college students have successfully passed entrance exams by making the football squad.

The early bird may get the worm but he has to scratch for it.

Trigg School News

Mr. and Mrs. F. L. Broadbuss of Amarillo visited Mrs. N. G. Mason Sunday.

Mrs. Darr visited Mrs. G. W. Webb Sunday afternoon.

Mrs. John Haines is spending a few days with her mother, who is ill.

Mr. and Mrs. Costley, Mr. and Mrs. Burrus and Mr. and Mrs. Hutchinson called to see Mrs. Costley Sunday.

Mr. Dickinson, who has been very ill for several days, is better. He underwent an operation in Northwest Hospital ten days ago.

Mr. and Mrs. Henry Jensen visited Mr. and Mrs. Paul Fluegel Sunday.

Pete Martin of Enid, Okla. is visiting his sister, Mrs. E. L. Lip-pard.

Mr. and Mrs. Cecil Berry visited relatives and friends in Washburn Sunday.

Bernard, Beth and Leonard Schneider were absent from school Monday.

In 18th century England, long-haired dogs were used instead of napkins by diners for wiping hands while eating. A true case of "putting on the dog."

Approximately 93 per cent of all fatal auto accidents occur at speeds of less than 50 miles an hour, so why not make that the minimum speed limit?

The man whose head swells the largest has the least reason for any enlargement.

Scientists say that kissing is dangerous, but who says we are a race of cowards?

It is strange how temptation picks on those who can least resist it.

Birds of a feather have a habit of knocking together.

Ill Six Years, Spokane Man Becomes America's Best Amateur Gardener

A NERVOUS breakdown has made John Kakakes of Spokane, Wash., the best amateur gardener in America.

An immigrant from Greece, where he was a vineyardist, Kakakes had long been interested in gardening. Through the years he studied plants, and "potted" in his own tiny garden for recreation and sheer joy of the work.

Then six years ago he suffered a collapse. Physicians said he must rest a long, long time. So John did rest and while he rested he began to improve his garden. In five years he had developed it into a thing of beauty, eligible for the National Yard and Garden contest.

Now Kakakes' garden has been unanimously awarded first place in competition with gardens from coast to coast.

"How did you do it?" inquired the judges.

"The family helped me all the time," replied the master gardener. "I was just what you call the designer."

But the Kakakes family will tell you that the "designer" actually did most of the work.

THE Kakakes garden is an example of what can be done through careful planting and continual care.

A cross section of nearly the entire floral world is to be seen in the beautiful garden, upper left, of John Kakakes at Spokane, Wash. Upper right is Kakakes, invalid for six years, watering his plants. The bottom picture is of the Kakakes home, itself a bower of flowers and green plants.

Shrubby with branching foliage and small pine trees make an effective background for flowers of all types. One of the features of the garden is an irregularly shaped lily pool surrounded on three sides by moss-covered rocks and foliage.

Kakakes' home is situated in a new residential section 3 1/4 miles southeast of Spokane's business district.

With the awarding of first

place to Kakakes, the National Yard and Garden contest judges named winners in class two and class three competition.

The first place in class two, where hiring of some manual labor is permitted, went to Mr. and Mrs. Kermod Gill of Cleveland Heights, Cleveland, O. The best garden in class three, the division in which expert skill is employed, was that of Miss Thomassella Graham of Sierra Madre, Calif.

THE EAGLE'S TALE

AMATEUR NIGHT
February 25th

VOL. NO. 10.

CANYON, TEXAS, FEBRUARY 13, 1936.

NUMBER 22

Cactus Cal

Boy th stripes was a flyin last Thursday, when Coach Jones handed out th football sweaters, but Pat Cox was th only one that got a star. Wouldn't it be nice if they could all be captains.

Ye bookkeepin kids shore is lucky to git to go thru a bank an a big dry goods store. I guess ye no what a hundred dollar bill looks like now.

Now these teachers seem to jus can't git th thought over. Now for instance, Miss Clark had Wanda workin a problem an told her to draw her figure on th board, but Wanda insisted that she ud need a mirror.

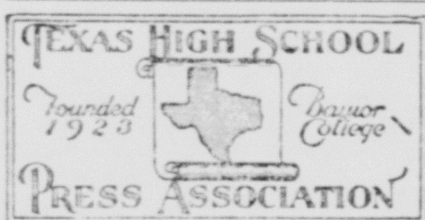

Pat Childers asked Miss Goodrich for a good book to read. She said, "Did ye ever try 'Goin to College on Nothing a Year'?" "Yeah," Pat said, "Can't be done."

Mr. Jones succeeded at least to git Sherman's and Pauline Moore's minds on history. Wonder what their everyday conversation is about.

Mr. Fox is jus the opposite. He wuz sweatin an figurin tother day tryin to figure out how much he had learned from the freshmen this year.

Marjorie, who is this Tucumcari stuff ye met at the hardware convention?

These cold days must be affectin C. L. Drummon rather seriously or he wouldn't be askin these questions: "Did ye ever step from th tropics to the North Pole? Were ye ever steamin hot one minit an freezin cold th next? Did ye ever step from Miss Clark's room to Coach Jones' room?" Can't ye take it, C. L.?

THINK IT OVER

Don't the Eaglettes draw as much of the crowds to the basketball games as the boys? Don't they work as long and as hard as the boys? Aren't they a team to be proud of? Don't they deserve a reward for their work?

The Eagles get sweaters for their work. Fine thing! This is as it should be, but how about the girls? They either get a little gold basketball or nothing.

Let's get them sweaters!

WHAT SHALL IT PROFIT?

If Canyon High should produce a jaw-cracking, touchdown-making, rooting-tooting team in football; yea, if she should go flying through the district tournament in basketball, and yet lacked developing her minor sports—she has failed in her aim.

In order to have a successful system of sports it is necessary that it be composed of many minor sports; such as, croquet, horse-shoes, ping-pong, boxing, wrestling, baseball (hard and soft), elephant, shinney, tumbling, etc., so all the students may take a part.

Is this your school? Go home and sleep on this matter. Come back tomorrow and act on it.

A TEXAS SUNSET

God knows I thrill at the sunset, I love the color that's there. If its beauty would linger forever I'd would fulfill my innermost prayer.

The beautiful lacy clouds,
Like curly, golden locks,
Float through a channel of sun
As a ship floats through the docks.

The sky is spangled with color,
The world is a beautiful place;

C. C. Jones Awards Letter Sweaters Thurs. in Assembly

"It always gives me a great deal of pleasure to award sweaters to the boys who have worked so diligently for them," said Coach C. C. Jones, as he arose before assembly last Thursday and called out the names of 15 boys and the manager who received football honor sweaters.

Those who received sweaters were: Captain Wesley Cox, Billie Bewley, Captain-elect Jack Middleton, Jack Taylor, Wendell Johnson, Melvin Calliham, Ralph Rusk, O. D. Breittling, Sewel Cox, Leslie Lisle, C. L. Drummond, Lavert Avert, Thomas Harris, Herschel Burrus, Darwin Dobbs, and Manager R. E. Prichard.

The sweaters were heavy wool slip-over sweaters of southwestern purple with an eight-inch white "C" trimmed in purple on the front.

Only four of the 15 lettermen will be able to participate in high school football next fall under the new nineteen-year rule. They are: Captain-elect Jack Middleton, Darwin Dobbs, C. L. Drummond, and Melvin Calliham.

P. T. A. of Canyon Broadcasts Over KGNC This p. m.

"And now for the next 30 minutes KGNC in Amarillo will feature a program by the P. T. A. of Canyon starring the Mother Singers, High School Choral Club, and Supt. I. B. Carruth."

Today at 2:30 o'clock, the P. T. A. will give a thirty-minute program over KGNC. Mrs. Alfred Bellah will make the opening remarks and have charge of the program. A short playlet, "Reminiscence," will be presented with Mrs. W. T. Davis, Mrs. I. B. Carruth, Mrs. Joe Black, and Mrs. R. E. Ball as characters.

Supt. I. B. Carruth will give a short talk on "Safety." He will discuss "Safety" in the home, school, and community. The Mother Singers and the High School Choral Club will give two vocal selections each.

FOUR STUDENTS RECEIVE READING CERTIFICATES

The first State Reading Certificates are to be received for four students in the intermediate grades. Those who receive these certificates are: Betty Guthrie 6A, Polly Cluck 7A, Bob Ziegler 7A, and Raynelle Rigby 7A.

There are 59 pupils who are reading for the certificates. Many of them have their reports almost completed. The number of those entering for the classes are 6A-17, 5A-14, 7B-9, 6B-9, and 7A-6.

These certificates are awarded for the completion of 20 books which are taken from a list prepared by the State Department of Education.

Which Can It Be Heidi Or Howdy?

A small grade school girl went to the grade school library one afternoon and called "Heidi." The librarian said, "howdy." The little girl again said "Heidi." The librarian answered "hello." The little girl, not knowing what else to say, said, "Heidi" for the third time. This made the librarian feel a touch of anger.

But in the end she found out that the little girl was only calling for a book, titled "Heidi."

THOUGHT OF THE WEEK

"The man who does things makes many mistakes, but he never makes the biggest mistake of all—doing nothing."—Poor Richard.

GUESS WHO?

Some call him little Tosio, As he peddles papers down the street;

He is short, chubby Freshman, A ready smile makes the picture complete.

Answer to last week's "Guess Who," Betty Jo Black.

Mrs. A. M. Meyer, Mrs. Joe Black, Mrs. Ray Campbell, Mrs. D. A. Nicholas, Mrs. Joe H. Thompson, and Kenneth Walker visited assembly last Thursday to hear Miss Mary Morgan Brown read.

Carolyn Mayfield, Polly Little, and Mary Collins spent Sunday with Ethel Ruth Collins '29, Mary's sister, in Amarillo.

On a Texas plain, its beauty will reign;
And my soul the picture encase.
Sewel Cox
and
Overton Donnell

A Perfect Lady Locks Up Keys

The four o'clock bell rang. She got up and put on her coat and hat. She looked in her purse for her car keys. A look of horror and surprise came upon her face.

The keys were gone! She searched frantically everywhere. But the keys just weren't there; so she called her mother to send the other pair of car keys by a boy she would send down to her home. She looked all over the school room for the keys while the boy was gone. Soon the boy was back with the other keys. When she opened the car, what a surprise. Miss Grace Clark, who is so exact in every way, had locked her keys up in her own car!

Class Journeys To Amarillo Fri.; Lunch Guests of Mr. Kirk

Nickels, dimes, quarters, \$100 bills and \$2,000 checks, mixed in with toy dogs, bow ties, valentines, handkerchiefs, and lunch at the Silver Grill, besides a wish for a new Lincoln-Zephyr car, filled an active day for the members of the bookkeeping class when they took a trip to Amarillo last Friday.

Arriving at the First National Bank about 10 a. m., the class as a whole was shown the fundamentals of banking, after which the members were served lunch at the Silver Grill as guests of Mr. Kirk of White and Kirk.

The afternoon was spent at White and Kirk's and at a Lincoln-Zephyr display at 10th and Polk.

Those who made the trip were: Gerald Dean Heath, Billie Bee Flesher, Loretta Cole, Sarah Bonnie Bourn, Mary Ella Davis, Lucy Mae Furlow, Gertrude Brandt, Fay Plaster, Wesley Cox, Jack Taylor, Hal Gamble, Joe Morris, Erwin Meyer, Jack Neil Jennings, Mr. John B. Pope, Jr., sponsor, and Jim Upfold, bus driver.

Trophy Party? Clumsy Studes!

Did you ever hear of a trophy party? It seems as though such a thing has occurred in C. H. S.

Everyone had gone to lunch, and the halls were empty; so the trophies in the trophy case decided to have a party. Such merriment and joy-making you never heard! All were having an hilarious time when the big clock on the wall ticked out a warning, "It's time to stop." But the trophies paid no heed. Then a teacher came up the stairs. The trophies heard the footsteps and dropped in their tracks. The teacher found them tumbled down and scattered here and there and gave this story as told by the proverbial "birdy."

Some one had bumped into the trophy case and knocked the trophies down.

BAND PLAYS IN CONTEST

"Merry Widow Waltz" has been chosen by the Canyon Public School Band to be played in the Panhandle Band Contest in Amarillo the last part of April with more than 25 Panhandle Bands competing. More than 40 members of the band are already working on the required selection, "Little Bluebell" (Overture), and will soon select a march to complete the three selections each band must play.

"We will enter class D, for bands organized less than one year," said R. G. Stevenson, band director.

Florence and Florence Currie, twins, visited their cousin, Mary Jo Avert, Wednesday and Thursday.

Lights Installed; 7A Has Party

A short play, "The Romancers," was given in Book Club last Thursday. This play carried out the spirit of Valentine's Day. The members of the club which took part in the play were: Mary Charlotte Word, Helen Hurst, Mary Horn, Evelyn Cluck, Sarah Thompson, Marie O'Donald, and Gertrude Brandt. Lillian Chambers gave a short history of Valentine's Day which concluded the program.

J. C. Bellah is recovering rapidly from his appendicitis operation, and he will return to school next week. He has received many friends at his home since his return from St. Anthony's hospital where he underwent the operation two weeks ago.

7A, sponsored by Mr. R. G. Stephenson, exchanged valentines at a Valentine party in the grade school gymnasium, Feb. 6. Basketball, volleyball, and other active games were played. Refreshments

DISTRICT HOME EC. CLUBS MEET HERE MARCH 7

MISS SORENSON WILL SPEAK TO ELEVEN CLUBS IN HOME EC. MEET

The District Home Economics Rally will be held March 7 at both Canyon High School and the Training School of West Texas State Teachers College, with 11 schools represented.

All of the schools will meet in the Canyon High School building where the delegates will register and assemble in the high school auditorium. Evelyn Cluck, president of the Home Economics Club of Canyon, will preside in the meeting and also give the welcome address, followed by a response by a representative from Farwell. Mr. I. B. Carruth, superintendent of the Canyon High School will address the group.

The theme of the association will be, "The Place of Home Makers in the History of Texas."

Hamner Will Talk

Miss Laura V. Hamner will give a talk on the Pioneer Home in the Panhandle. Miss Ester Sorenson, district state supervisor, will speak on the famous women of Texas.

The delegates will go together to the College Cafeteria where they will have lunch.

After lunch they will go to the College Auditorium where President J. A. Hill will address the group. Following this, the different clubs will give stunts. Later in the afternoon the delegates will visit the museum.

Second Annual Meeting

The district meetings were held for the first time last year, delegates from this district meeting at Plainview. The district meetings were created in order to give many smaller schools an opportunity such as a few schools were getting at the state meetings.

The schools who are planning to attend the rally are: Lockney, Farwell, Olton, Plainview, Dimmitt, Floydada, Bovina, Hereford, Hale Center, Tulia, and Muleshoe.

The Eaglettes lost the first home game this season when they were defeated by the Happy Cowgirls.

Tom Harris, a regular guard and handy man on the Eagle basketball team received a burnt finger in the chemistry laboratory last Thursday when he was experimenting with phosphorus. Tom's finger became infected and he has had a time keeping his finger out of the way of the ball.

Darwin Dobbs, Eagle forward, could not use his left arm in practice because of a large boil.

The football players who received sweaters last Thursday have been parading over town showing them off.

Coach Jones seems to have a parental care over his boys. Last Saturday the boys were riding the bus to Tulia, Darwin Dobbs inadvertently said, "Daddy," and then forgot his question in his embarrassment.

Much interest has been shown in the girls' basketball games in the grade school gymnasium at noon. The grade school girls have intramural teams and have been playing on the colder days in the gymnasium.

The Eaglettes will practice Thursday night in order to be in better condition for the game with Hereford tomorrow.

Senior Class Sponsors Amateur Night Feb. 25

Boys Win Series; Eaglettes Lose To Happy Sextet

The Eagle basketball team netted two victories last week-end to bring their standing up to 13 victories out of 16 games played. They defeated Happy 51 to 15 Friday night and Tulia 27 to 25 Saturday night. The Eaglettes succeeded in winning from Tulia, but lost to the Happy Cowgirls.

Ray Ford Rusk, Eagle center found the basket for 20 of Canyon's 51 tallies in the game with Happy to take high point scoring honors. The second team played the last quarter with Eston Breittling, freshman forward, leading the scoring attack with eight points.

In a previous game, Happy fell before the Eagles by the score of 22 to 17.

Eaglets Lead at Half

During the first half of the Happy-Canyon girls' game, the Eaglettes kept the lead, and the score at the half was 11 to 5 in Canyon's favor. Early in the third quarter, the opponents jumped into the lead and upheld their scoring attack until the end of the game. The final score was 29 to 20.

In the games Saturday night with Tulia, the Tulia boys exhibited a much better style of playing than in an earlier game this season, when the local lads walloped them 37 to 15. The Hornets held the Canyonites to a 25 to 25 deadlock. They played an extra period in which no scoring was done. When this period was up, Rusk had two free tries coming. He sank both of them to win the game for the Eagles by a score of 25 to 27. Rusk again took high point honors, finding the basket for 10 points. Jack Edwards, crackshot Hornet forward, followed with 9 tallies.

Games Are Close

The Eaglette game was about as breath-taking as the boys' game. The scores ran about the same throughout the game, but the Canyon girls emerged victors 18 to 16. Both teams had made changes in their line-ups since they had clashed in the Eaglettes home gymnasium. The Eaglettes had won this game too. Davis, center for Canyon, was high point scorer with 8 points.

Du Do Joins Oil In Fight With Squeakie Gate

Squeak-erk, squeak-erk.

The students in the study hall raise their eyes. The teacher listens. Yes, there it is again, squeak-erk.

Douglas Brasuel, popularly known as Dudo is sent out of the room. In a few minutes he returns bearing a large, copper oil can with a long stem. The teacher is waiting for him by the library gate. Douglas gets down on his knees, oil can in hand.

Squeak-erk, squeak-erk. Where is that squeak? Miss Goodrich swings the gate again, squeak-erk. Douglas decides to cover the entire hinge with oil thinking that surely the oil will reach the squeak this way. He aims the can and fires. Gurgling! The oil goes not only on the hinge, but shoots across the floor.

Again squeak-erk, this time somewhat fainter. Douglas squirts out some more oil but with much more accuracy. Miss Goodrich swings the gate, listens. At last there is no squeak. Peace reigns again in the study hall.

In the offices of the superintendent and the principal. In the journalism room a drop light over the editor's desk has been placed; also a gas stove has been installed. Light shades have been placed in the offices of the superintendent and principal.

5A, sponsored by Mrs. John Davis, had a Valentine party at the home of Mrs. Bert Newlin, Feb. 11 from 7 to 9. After the Valentine box, refreshments of sandwiches, cookies, and punch were served. The class sent valentines to Mary Dell Johnson who is ill with pneumonia.

The Word-Ingham assembly program has been postponed indefinitely because of the illness of Dr. S. L. Ingham.

Mid hungry groans and gasps of "Gee, I'm hungry"—Sewel Cox brought a large sack of sandwiches for the Press Club last Monday afternoon.

Marjorie Wilkerson, senior, acted as secretary to Mr. C. L. Thompson, secretary of the Panhandle Hardware Dealers Convention, for two and one-half days in Amarillo, last week.

Treasure Island will be lost and found, the Boy will again appear on the burning deck, and the music will get dizzy going round and round when the faltering amateurs will stand behind the footlights in the high school auditorium, February 25.

In order that the adults will not have to compete with children, there will be two divisions; one for children below 16 and one for adults above 16.

Amateur night is under the auspices of the Senior Class, and the proceeds will be used to buy the annual Senior gift to the school. The class has been working on the project since early November, and the communities' most competent amateurs are expected to compete for the prizes of \$3, \$2, and \$1, offered in each division.

More than 15 applicants have expressed wishes to enter the contest. All amateurs who desire to participate may give their names to Sarah Bonnie Bourn, senior secretary, by calling the high school, number 23. Admission will be 10 and 15 cents.

Junior Eagles Win Over Tulia Juniors

The Junior Eagle basketball team won over the Tulia Junior team, Saturday night by the score of 15 to 4 at Tulia. The boys went in cars and were sponsored by Mr. John B. Pope, principal. Jimmie Fite, Mabrey Vandergriff, Joe Gill, J. D. Breittling, and James Pope started the game, and Tommie Butler was substituted for James Pope at the half. Vandergriff, of Canyon was high-point man with 6 points.

The Tulia team plans to play a return game at a future date.

What! Sewel Embarrassed?

When Sewel Cox first got out of the hospital, he marched down the aisle of the old church house again, but this time his heart was overflowing with gladness. In fact he hadn't felt the tinge of a blush for several days. This left him feeling perfect.

He made room in his heart for just one more burst of delight, as he spied one of his "heartbeats" seated just a few seats before him, so he followed the impulse, and stepping forward, he slapped her on the back.

"Well, old girl, let's go down to our same old front seat."

The "Old Girl" looked up with crimson surprise, for they hadn't met before.

Sewel hadn't blushed for several days.

MYRTLE CATES '33, AND DAVID HORN WED

Myrtle Cates, '33, and David Horn were married at the home of Rev. J. R. Hicks last Saturday afternoon at 3:40.

Those officiating were Mr. and Mrs. J. D. Horn of Borger. They will make their home in Tucumcari, New Mexico.

Ethel Brasuel, '30, and Lillian Davis, '29, spent the week-end with their parents in Canyon.

Ruth McCrerey, '35, visited assembly last Thursday.

Pauline Moore spent the week-end near Dawn.

Irene Thompson, visited school Monday afternoon. O. M. Solomon, '35, assisted the typists for the Eagle's Tale Monday evening.

Coach Jones: "Identify Butterfield."

Sherman Higdon: "The field on which the Sandies have lost only one game."

Mary Ella Davis: Someone please make the ears for the paper.

Fred Hart: I'll gladly fly you mine.

People may ring out an old year, but they blow out a hay fever season.

He who doesn't practice what he preaches had better keep silent about the other fellow's views.

Do you remember what you were worrying about this time last year? Not many of us do.

Every time they build a new railroad crossing, the automobile dealers order more cars.

Hot weather is blamed for domestic infidelity. Well, anyway, there is no time to cool off.

Modesty has its own reward, a fact that some of our flapper friends should not forget.

EAGLES BATTLE HEREFORD FRI. GOODNIGHT SAT.

GOODNIGHT GAME CLOSES '36 SEASON; DISTRICT MEET NEXT

With the close of the '36 basketball season drawing near, the Eagles and Eaglettes will have two more opportunities to increase their spread of victories before the district tournament. Both teams will tackle Hereford in the local gymnasium tomorrow night for the last home game, and Saturday night they will carry the purple and white to Goodnight for the last scheduled game of the current season.

The Eagles have defeated the Whitefaces once this year on the Hereford court by a score of 29 to 22. The Eaglettes were less fortunate, however, and were beaten 18 to 12.

The Eagles have handed Goodnight one good beating this year on the home court, but it may be a different story when the two teams clash in the Goodnight gymnasium. The previous score was 31 to 13. The Eaglettes also beat the Goodnight sextet in the game here with a score of 30 to 26.

Scouts Celebrate 26th Anniversary

When the small London Boy Scout guided Wm. D. Boyce, Chicago Publisher, about the city of London without accepting any pay, calling it his "Good Turn," he did not know he was sowing the seeds for the beginning of the Boy Scouts of America.

The deed so aroused Mr. Boyce that he made inquiries and upon returning to the United States, organized the Boy Scouts of America, receiving a government charter, February 8, 1910.

This week, over 1,000,000 scouts, including 14 Canyon Public School boys, celebrated the twenty-sixth anniversary of Scouting in the United States. The president of the United States and honorary president of the Boy Scouts, Franklin D. Roosevelt, will close the week of celebration by addressing all Boy Scouts over national network tomorrow night.

Brown Entertains Assembly Thurs.

"I like it rael weel" and "Ja dat iss so" were the popular adopted phrases heard from the lips of Canyon High School students when Miss Mary Morgan Brown entertained the assembly last Thursday with dialect readings.

Her first reading, a negro dialect selection, was "In De Mornin'" by Paul Lawrence Dunbar. Following this were: "Mammy's Philosophy" and the conversation of a negro man to his master who had just returned from town.

A Scotch love story was next, with German, Irish, and Italian, following. "For Goodness Sak" and "Da Little Boy" were the Italian readings.

Other negro selections were "What's De Bride Wot'n" and "Who Stole Dem Breeches?"

For encore Miss Brown read "Po White Trash," negro, and "Mia Carlotta," Italian dialect.

Tom Harris Learns Phosphorus Burns

"Does phosphorus burn?" was the question asked by Joe Morris during the chemistry period.

"I know one way to find out," returned Tom Harris, and he picked up a small piece of phosphorus and exposed it to the flame of a match. Immediately the small piece of phosphorus was in flame, and Tom was stomping around the room wringing his hand.

Mr. Fox walked over to see what was troubling the raving Tom. When he discovered the trouble, he reminded Tom that there was a water fountain in the room.

Tom now has a blister on his finger, but he learned, by experience, some more chemistry.

Kate Donnell spent Sunday with her sister, Mrs. Clarence Bauer, near Happy.

Mildred Shuman, junior, spent last Sunday at her home in Amarillo.

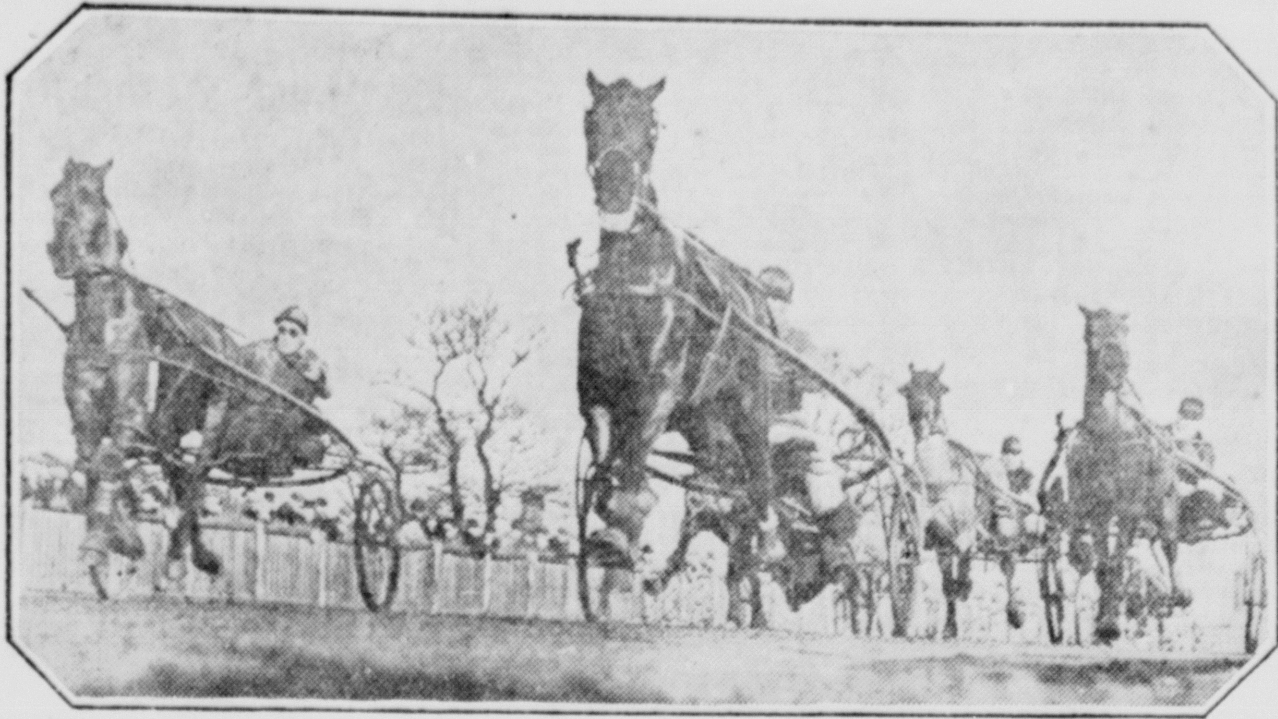

Jean Slack spent the week end in Tulia with Anna Mayo Sharp.

Lavena Watkins spent the week-end in Hedley.

Sewel: "Ready to go home, Pat?" Polly: "No, not yet." Miss Goodrich: "He didn't say which Pat."

IN THE WORLD OF SPORTS

Harness Racing, Sunk in the Doldrums for Many Years, Is Coming Back, and With a Bang!

BY PHILIP MARTIN

THE good old sport of harness racing, which for nearly a century featured the county fairs of the nation, only to slip with the advent of "modern" sports, is coming back!

Although the appeal of this type of racing has held up unabated in the rural areas down through the years, the decline of interest in the metropolitan sections set in soon after the war.

Attendance figures ebbed so alarmingly that the existence of even the most prominent racing and trotting organizations was threatened. Many were kept in form only as a result of assistance from wealthy sportsmen especially interested in the harness pastime.

Lovers of the sport, seeking the cause of this drop in patronage, found it in the advancement of many other forms of diversion not available to the public during the heyday of the sulky races.

Advent of the automobile and introduction of golf to the multitude were foremost factors leading to the lapse of interest.

THE exciting atmosphere of the saddle racers was in keeping

Thundering hoofs pounded on county fair race tracks all over the nation every summer without fail in the "good old days" when harness racing was in its glory. The picture above is typical of the action of a good, fast harness competition. These horses ran before crowded stands, bringing huge gate receipts. Today, having weathered the storm of "modern" sports, these scenes are being re-created.

with the spirit of the '20s, and appealed to the gambling proclivities of the average citizen of that period more than did the dignified high-steppers.

Edward Roland Harriman, president of the Trotting Horse Club of America and the Grand Circuit, claims that 90 per cent of those attending running races do so for the sole purpose of wagering, while a like percentage of those witnessing harness events are present out of a genuine regard for the sport.

But when the onslaught of the depression drove ready currency into hiding, many former gee-gee fans turned to harness racing—perhaps more out of curiosity than for any other reason—making occasional small bets.

Many of these remained to be converted, discovering with considerable amazement that the sulky races, far from being an old man's pastime, were intensely interesting, whether you bet or not.

THUS, with the aid of increased gate receipts and an increased betting volume, trotting organizations have climbed out of the doldrums, both here and abroad, and are now able to stand on their own, financially.

So rosy does the future appear that the Grand Circuit, most select of harness horse leagues, will, for the first time, extend its domains into California in 1936.

In addition to the regular loop, which heretofore has consisted of Cleveland, Toledo, Columbus, Goshen, N. Y., Boston, Springfield, Ill., Milwaukee, Indianapolis, Syracuse and Lexington, Ky., three new members will come in to the fold, San Diego and Pomona, Calif., and Phoenix, Ariz.

When the bell is sounded for the start of the first 1936 Grand Circuit race, at Cleveland, June 29, it will open a season which promises to be one of the most successful in the many years of harness racing.

Wayside Items

A cold wave struck the Panhandle of Texas last Friday night, radios had foretold, so we were expecting it. Saturday morning zero and below in many places prevailed. Reported 3 below at Wayside.

Irving Lane, a Wayside boy, working at Pampa, started to work Saturday, 8 below, worked all day. Tuesday still cold but moderated a lot.

W. R. Franklin and family spent Saturday night with relatives in Canyon. Visited Sunday with Ralph Childers, a brother-in-law who leaves soon for Veterans' Hospital at Albuquerque, N. M. One among many gassed in the world war. His wife and four children have recently moved from Center Plains to Canyon, where Mrs. Childers will be near her mother, Mrs. Emma Franklin.

Miss Gertrude Hoggins, intermediate teacher at Wayside school, recently made a trip to San Antonio with her parents, Mr. and Mrs. J. T. Hoggins. She has recently invested in land in the Valley. Miss Frances Hoggins, a sister, is visiting with her at the teacherage.

W. I. Lane's store caught on fire Saturday morning; burning paper from the flue set the roof on fire. Eugene Carter and wife coming to mail a letter, first discovered it. With help from closeby neighbors it was soon put out. A call over the phone soon brought plenty of help, but luckily the fire was out.

Mr. and Mrs. George Hancock and Jerry Lane from Pampa visited the paternal Lane home Sunday, returning same day.

Rusk Quizzes

Mr. and Mrs. Joe Baber of Canyon spent Friday with Mr. and Mrs. C. G. Stallings.

Lorene Smith has been quite ill the past week.

Mr. Drerup of Amarillo was visiting in the community Tuesday.

Bertha Sykes has been staying with Mrs. Joe Russell the past week.

Mr. and Mrs. Clarence Stallings visited Mr. and Mrs. J. T. Sykes Sunday.

J. T. Sykes and Alvis Sykes made a trip to Amarillo Tuesday.

C. G. Stallings visited O. A. Smith Friday evening.

Alvis Sykes made a trip to Fort Worth, Thursday.

O. A. Smith visited Henry Ellis, Sunday.

NOTICE, SHERIFF'S SALE

THE STATE OF TEXAS, County of Randall. By virtue of an Order of Sale, issued out of the Honorable District Court of Randall County, on 4th day of February, A. D. 1936, by the Clerk thereof, in the case of The Peck, Wright, Peck Investment Company, a corporation, versus L. A. Russell, Ada Russell, and D. L. Rutter, No. 1475, and to me, as Sheriff, directed and delivered, I will proceed to sell for cash, within the hours prescribed by law for Sheriff's Sales, on the First Tuesday in March A. D. 1936, it being the 3rd day of said month, before the Court House door of said Randall County, in the city of Canyon, the following described property, to-wit:

Being all of the Northwest Quarter (NW 1/4) of Block 13 Heller Addition to the town of Canyon City (Now Canyon), Texas, as per the plat of said addition on record in the Deed Records of said Randall County, together with all improvements thereon situated, said property located in Randall County, Texas.

Levied on as the property of L. A. Russell, Ada Russell, and D. L. Rutter, to satisfy a judgment amounting to \$1,194 in favor of The Peck, Wright, Peck Investment Company, a corporation.

Given under my hand, this 4th day of February, A. D. 1936.

F. N. BARNETT, Sheriff.

By E. J. Dunn, Deputy. 4714

NOTICE OF ELECTION

Notice is hereby given that the Commissioners Court of Randall County, Texas, after having been petitioned by over 50 qualified property tax paying voters of said County, did order an election to be held throughout Randall County, Texas, on the 29th day of February, 1936, for the purpose of determining whether a majority of the legally qualified property tax paying voters of Randall County, Texas, favor the creation and incorporation of said county and its area into a wind conservation district to be known and designated as the "Randall County Wind Erosion Conservation District," as provided for by Senate Bill 515 and House Bill 978, enacted by the 44th Legislature of the State of Texas, being directed by said Order of said Court to give proclamation of said election to be held on the 29th day of February, 1936. I do hereby order that every person and voter of said County that said election will be held in each of the established election precincts throughout the county to-wit: No. 1 Canyon; No. 2 Jowell; No. 3 Ralph; No. 4 Fairview; No. 5 Park; No. 6 Costley or Trigg; No. 7 Highland; No. 8 Umbarger; No. 9 Edgefield; No. 14 Sene.

All persons who are legally qualified property tax paying voters shall be entitled to vote at such election. Each voter favoring the creation and incorporation of such District shall have written or printed on his ballot "For the creation and incorporation of the Randall County Wind Erosion Conservation District," and each voter who opposes the creation of such district shall have written or printed on his ballot "Against the creation and incorporation of the Randall County Wind Erosion Conservation District."

(Signed) BURNETT SLACK, Judge, Randall County, Texas.

By E. J. Dunn, Deputy. 4713

THE STARTER
goes 'ROUND
AND AROUND

whirr-hirr-irr-irr-irr

...and your battery gets weaker and weaker... if the tank is filled with ordinary low-test gasoline.

BUT WHAT A DIFFERENCE WITH PHILLIPS 66 POLY GAS! Stepping on the starter turns on the heat. Spins your icy motor into instant action. Warms it up fast. Gives you summer pep, power, and mileage, even though the thermometer is at zero or below.

This remarkable winter performance is the result of the scientific POLYMERIZATION process, the greatest improvement in motor fuel manufacture since the introduction of "cracking." It literally adds a rich supply of extra heat units to every drop of high test Phillips 66. Thus producing the fastest-starting cold-weather gasoline which Phillips has ever offered... at the price of ordinary motor fuel.

The quality and economy of Phillips 66 Poly Gas undoubtedly explain why our sales are right now at the highest levels in the history of the company. More motorists than ever before have found out the extra value and extra driving pleasure given by this new kind of cost-cutting gasoline.

We invite you to join them by trying a tankful of Phillips 66 Poly Gas. You will quickly feel that difference.

Rotarians Entertain Sons Tuesday at Weekly Luncheon

Hi-Y boys of the Canyon high school had charge of the program Tuesday at the weekly luncheon of the Canyon Rotary Club at the annual Father and Son gathering. Practically all members of the club had their sons or borrowed a son for the day.

Robert Bruce Carruth, son of President Irby, sat in the presiding officer's chair and performed many of the official duties, especially ringing the Rotary gong.

A two-act play was put on by the Hi-Y group featuring the idea of the Father-Son spirit.

Dr. R. A. Neblett passed the cigars in recognition of the birth of his daughter, Dorothy Elizabeth Neblett.

Visitors present were: W. S. Norman, Ed Broome, Harvey Allen, John C. Pain, Horace Griggs, all of Amarillo; C. A. Murray, T. L. Calloway, Miss Edith Shields, Miss Ruby Guthrie, Sewel Cox, Joe Frank, Wayne Marsh, and Fred Hart, all of Canyon.

Drivers' License

ers have been received at the office of Mr. Barnett and will be issued with the new plates. The stickers are designed for the windshields and car owners are asked to place them on their cars to assist in advertising the Centennial.

The new car plates also carry the word "Centennial" in order to keep this celebration before the people.

Conference

(Continued from first page)

virtually all schools are cooperating with the Conference by dismissing school on March 6 to permit teachers to attend both days of the convention. Between 2,500 and 3,000 teachers are expected to attend the

conference, F. E. Savage, secretary of the organization, said.

Arrangements have been made to accommodate the visiting teachers. Provision has been made to serve meals in the College cafeteria as well as in some of the local churches. A trip over the Good-night Trail and scenic highway through the Palo Duro State Park has been arranged. The Bureau of Public Service will remain open during both days to give information concerning the Conference.

Music for both days will be provided by the Buffalo Band, W. T. S. T. C. Orchestra, Perryton High School Band, and a choral concert in which 250 high school students will take part.

Yearlings To Play Amarillo Badgers Thursday Evening

Coach Bob Cox's hitherto invincible Freshmen cagers will play the Amarillo College quintet in the Badger Gym, Thursday night, Feb. 13.

Playing for their third consecutive win over the Badger five, the Yearlings will be augmented by four additions to the team, making a total of fifteen members. The four new members are: Foster Watkins, transfer from Amarillo College; Buck Amburn, of Wellington; Odell Washington and Forrest Faulkner, of Matador.

The Frosh mentor has promised to carry the entire squad to Amarillo for the melee on the thirteenth. He hopes to be able to see the three complete teams in action against the up-and-coming Badgers.

The game which was scheduled against the Wayland Jackrabbits for last Friday has been postponed until Feb. 27.

Ray Campbell was called to Wichita Falls Tuesday by the serious illness of his father.

Randall County Singing Convention Meet Sunday

The Randall County semi-annual Plateau Singing Convention will meet at the Sunny Hill school house Sunday, Feb. 15. All singers of the county are cordially invited to attend this all day session. There will be plenty to eat for everyone.

Buffaloes Annex

(Continued from page one)

a close margin, the score was 8-6 at the middle of the first half. The Buffs started the scoring spree at the opening of the second period, piling up an impressive lead before the Rams were able to hit the basket.

The Buffs won Tuesday night 36-29 in a much more hotly contested game. Close guarding by both teams, with numerous fouls characterized the play. However, the fouls were the result of the hard play and were well distributed among the players, with none being chased from the game. Windy Nicklaus, referee, applied technical fouls twice on the visitors for abusive language.

While Coach Baggett made numerous substitutions in the first game, so hot was the contest Tuesday night that the first string played all but a few minutes, and then Davis went in as the only substitute of the game for the Buffaloes.

Probably the hardest fought game that will be seen on the home floor will be played March 24-25 when Hardin-Simmons University of Abilene will meet the Buffs. Simmons whipped the Buffs twice at Abilene recently in closely contested games.

Perhaps the most helpless combination on earth is that of a jay walker and a jay driver.

Mrs. Long Carries On in Senate

Appointed to the U. S. Senate by Gov. James Albert Noe of Louisiana, Mrs. Huey P. Long, above, widow of the slain senator from Louisiana, will fill her husband's unexpired term.
